## St. Dominic's School Choir

We look forward to our School Choir singing at our Centenary Mass, this Sunday 16th Feb, 11am.

With the commencement of the new school year comes the beginning of wonderful performance opportunities for our St. Dom's School Choir!

The Choir team is working together to plan a calendar of performances for our amazing singers this year. Our Choir will be featured regularly in upcoming newsletters and there is always the invitation for more students to join in the fun!

## Parent Communication

There are a number of online platforms & apps that we use to communicate to our community.....

**Audiri** is a free app which supports more immediate, school/level-wide communication.

*\*\*We use this app for communicating from the school to families for instant messages, school calendar.*

**Operoo** is an electronic form system that automatically collates medical and emergency details. This makes this important information instantly available to authorised staff.

*\*\*We also use Operoo to send e-forms, excursion forms, permission forms, etc. Operoo allows only one primary owner, who then shares access.*

### SeeSaw

SeeSaw is a communication app, which is managed by each teacher. They will communicate with you about your child's learning or specific messages for your class.

### WhatsApp

Class Parent Representatives set up a class only group to communicate information to parents directly relating to the class.

# Ongoing Reminders....

## Morning Drop off times & Supervision:

Staff playground supervision commences at 8.30am each school morning and classroom doors open at 8.45am. NOTE: there is not a Staff member on duty in P1- Junior Playground, therefore NO children should be playing in this area before school. Until 8.30am each day, we request that no children are dropped off at school, where possible. If work commitments require earlier drop offs, we recommend you contact our OHSC provider, Beyond Educare, as this may be an option for your family. If you need to discuss this, please call our office.

## Safety:

We ask that students not come into school in the morning carrying hot drinks up the driveway and across the yard. This presents a safety issue in the event of hot liquid spilling onto themselves or another child. Please DO NOT allow your children to come into school with a hot drink in their hands for this safety reason. While at school, all students are expected to be seated when eating or drinking, and this includes any drinks they come into school with. Thank you for your understanding.

## Afternoon Pickup times & Supervision:

Staff supervision after school is from 3.30-3.45pm. This is at the front of the school and all students waiting to be picked up must remain there, supervised by a Staff member until picked up by a family member. Students cannot linger in the playground area after school as this area is not supervised. Any student still at school by 3.45pm will then wait in the office area and a parent will be contacted. We do remind parents that should you be running late, please contact the office to advise and avoid unnecessary worry for your child. If work commitments require later pickups, we recommend contacting OHSC Beyond Educare, as this may be an option for your family.

## Communication:

Clear communication is vital and our key channels of communication are Operoo, Audirri, Newsletter, Bulletin & SeeSaw. Please regularly check on all forms of communication, particularly when receiving notifications for Operoo or Audirri information, and each Thursday for our Newsletter or Bulletin.

## BEYOND EDUCARE

### ST DOMINICS OSHC PROGRAM HIGHLIGHTS

10/2/25

Welcome to a brand-new year at Beyond EduCare! We are delighted to have you and your wonderful children as part of our OSHC community. It has been a fantastic start to the year, and we look forward to sharing many exciting moments together.

We began the year with a joyful Lunar New Year celebration, where the children created beautiful lanterns and explored their Chinese Zodiac animals. It was wonderful to see their curiosity and creativity shine as they learned about this cultural tradition.

Alongside our celebrations, the children have been having a blast playing mini golf, building cubbies, and engaging in fun activities designed to help everyone get to know each other. It has been heartwarming to see new friendships forming and a strong sense of belonging growing within our OSHC space.

A very warm welcome to our new families! We encourage you to drop by anytime to chat, ask questions, and get to know our program and educators. Your involvement and feedback are always valued, and we are here to support you and your children in any way we can.

We are excited for all the adventures ahead and look forward to another year filled with learning, laughter, and connection. Stay tuned for more updates and upcoming events!
