Together we Walk in Faith, Hope & Love'

Parents & Carers,

As we near the end of Week 4 and for us all, the Summer holidays seems a distant but fond memory, we acknowledge the exceptional efforts of our students and staff, who have begun 2025 with positive connections embracing every opportunity to learn and grow. Learning & extracurricular programs provide all of our St. Dom's students with every opportunity to 'shine' in their own time and own ways; in specialist classes and their own classrooms, in making & building new friendships, during interschool sports, sporting clinics, learning support, choir, STEM, chess club, instrument lessons, Footsteps, swimming, school tours, classroom learning programs, student assessments and student leadership.

This beautiful quote from Mother Teresa reads, *"I can do things you cannot, You can do things I cannot; TOGETHER WE CAN DO GREAT THINGS!"* In the spirit of community & companionship, our Centenary has commenced and we celebrated our Mass & Launch event last weekend! Words cannot adequately express my gratitude to the many people who have been part of this Centenary journey, in preparation over the past year. With graphic design, our curated Centenary website, the workings of the Centenary book, sourcing memorabilia and photos, connecting with the community, sourcing merchandise and creating our online store (no mean feat!) and planning our calendar of events.... The vision is now unfolding as a wonderful reality! With the inspiration of our 2025 school theme, *'Together we Walk in Faith, Hope and Love'*, we 'walk' into this most momentous Centenary year, and embrace every moment to celebrate our past, present and future, knowing that each one of us is part of the St. Dominic's story!

To our staff, who have welcomed this new and very exciting year, ensuring that our students are engaged & supported in a safe and trusted learning environment, we say thank you. To our parents and carers, I thank you, as our partners in the education, care and wellbeing of each and every one of our students.

Always know that we are here to support you and your family and to celebrate the achievements of each and every St. Dom's student. Together, we will work in partnership, in all we do, say, contribute to, support, give and celebrate, embracing our 2025 school theme and our Centenary year.

Thank you for your support and our partnership.

2025 Family Buddies

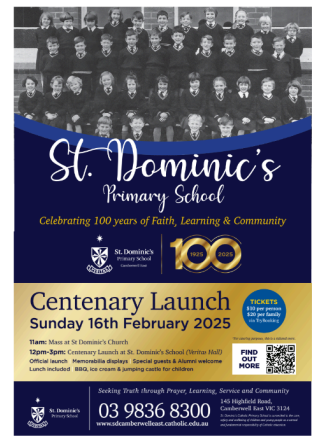

Parents & Carers,

In 2025, we have welcomed many new families into our school community.

Our 'Welcome to St. Dom's: Family Buddies' initiative, is a positive way that you can support these families as they settle into school life and our community.

If you are willing to be a 'Family Buddy' and connect with a new 2025 family (either beginning Prep or students commencing in other levels), please email office@sdcamberwelleast.catholic.edu.au

Celebrating our 2025 Centenary Launch

St. Dominic's
Primary School
Camberwell East

What a kick-off to our St. Dom's Centenary year!

It's only once in a Century that a School Centenary comes around, and we most certainly launched our St. Dom's Centenary in great style last weekend!

We had alumni with us, whose time at St. Dom's dates back to the 1930s- the eldest being our new friend Lorraine ('Polly'), who was a student in both the original school building behind the church, as well here in Highfield Rd. Also, we had a large group of past students who attended St. Dom's in the 1940s and remain involved in our parish and community.

We've made connections with families from all of the decades, learned about their stories and the history of our school and celebrated the history, stories and legacy of all in our community. Some of our guests included Monique Ryan, Local Member for Kooyong and great supporter of St. Dom's and our local schools, past Principals, Graham Spence and Sr Julianna Dobrik, past staff, students and families.

Our St. Dom's students LOVED the festivities on the day, including a jumping castle and outdoor games, BBQ, popcorn and icy poles, whilst our 'adults' enjoyed sandwiches, a cuppa and cake. do this well; together, in partnership & for our community!

2025 will continue to be a year to remember for us all!

"The school story grows richer and stronger with every student enrolled, every staff member employed and every partnership formed."

Learning & Teaching

Many wonderful learning opportunities are evident in all classrooms. Supported by the Ochre resources, our students (and teachers) are settling into the routines of daily reviews and the explicit teaching sequence, particularly in English and Mathematics. Coupled with hands-on materials, our students are provided with an evidence-informed approach that caters to the needs of all students.

Students in Years 3 and 5 have begun their preparation for Naplan testing. This involves developing and increasing their 'test-wisness' by practising Naplan 'type' questions, sharing strategies and receiving explicit teaching of skills and concepts from their teachers.

While our staff have been on the MACS Vision For Instruction journey for a year now, we invite parents and carers to a '**Learning Matters**' parent session informing you about what a mathematics classroom looks like in 2025 in light of the Vision For Instruction. This session will outline the what, why and how behind daily reviews, explicit teaching and formative assessment. The first session will take place on **Wednesday 26th March at 9.15 am**. The session will be repeated on **Tuesday 1st April at 2.45 pm**. A communication will be sent out in the coming weeks.

We are excited about the changes we are implementing in learning and teaching at St Dominic's and look forward to more engaging learning opportunities for our students and families.

Parent Communication

There are a number of online platforms & apps that we use to communicate to our community....

 <p>Audiri is a free app which supports more immediate, school/level-wide communication. <i>**We use this app for communicating from the school to families for instant messages, school calendar.</i></p>	 <p>Operoo is an electronic form system that automatically collates medical and emergency details. This makes this important information instantly available to authorised staff. <i>**We also use Operoo to send e-forms, excursion forms, permission forms, etc. Operoo allows only <u>one</u> primary owner, who then shares access.</i></p>
<p>SeeSaw SeeSaw is a communication app, which is managed by each teacher. They will communicate with you about your child's learning or specific messages for your class.</p> 	<p>WhatsApp Class Parent Representatives set up a class only group to communicate information to parents directly relating to the class. <i>SEE BELOW</i></p>

BEYOND EDUCARE

ST DOMINIC'S OSHC PROGRAM HIGHLIGHTS

10/2/25

Welcome to a brand-new year at Beyond EduCare! We are delighted to have you and your wonderful children as part of our OSHC community. It has been a fantastic start to the year, and we look forward to sharing many exciting moments together.

We began the year with a joyful Lunar New Year celebration, where the children created beautiful lanterns and explored their Chinese Zodiac animals. It was wonderful to see their curiosity and creativity shine as they learned about this cultural tradition.

Alongside our celebrations, the children have been having a blast playing mini golf, building cubbies, and engaging in fun activities designed to help everyone get to know each other. It has been heartwarming to see new friendships forming and a strong sense of belonging growing within our OSHC space.

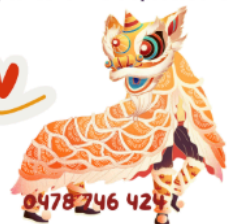

A very warm welcome to our new families! We encourage you to drop by anytime to chat, ask questions, and get to know our program and educators. Your involvement and feedback are always valued, and we are here to support you and your children in any way we can.

We are excited for all the adventures ahead and look forward to another year filled with learning, laughter, and connection. Stay tuned for more updates and upcoming events!

Ongoing Reminders....

Morning Drop off times & Supervision:

Staff playground supervision commences at 8.30am each school morning and classroom doors open at 8.45am.

NOTE: there is not a Staff member on duty in P1- Junior Playground, therefore NO children should be playing in this area before school.

Until 8.30am each day, we request that no children are dropped off at school, where possible. If work commitments require earlier drop offs, we recommend you contact our OHSC provider, Beyond Educare, as this may be an option for your family. If you need to discuss this, please call our office.

Safety:

We ask that students not come into school in the morning carrying hot drinks up the driveway and across the yard. This presents a safety issue in the event of hot liquid spilling onto themselves or another child. Please DO NOT allow your children to come into school with a hot drink in their hands for this safety reason. While at school, all students are expected to be seated when eating or drinking, and this includes any drinks they come into school with. Thank you for your understanding.

Afternoon Pickup times & Supervision:

Staff supervision after school is from 3.30-3.45pm. This is at the front of the school and all students waiting to be picked up must remain there, supervised by a Staff member until picked up by a family member. Students cannot linger in the playground area after school as this area is not supervised. Any student still at school by 3.45pm will then wait in the office area and a parent will be contacted. We do remind parents that should you be running late, please contact the office to advise and avoid unnecessary worry for your child. If work commitments require later pickups, we recommend contacting OHSC Beyond Educare, as this may be an option for your family.

Communication:

Clear communication is vital and our key channels of communication are Operoo, Audirri, Newsletter, Bulletin & SeeSaw. Please regularly check on all forms of communication, particularly when receiving notifications for Operoo or Audirri information, and each Thursday for our Newsletter or Bulletin.

Photography Tips from our Judges - the Curators at the Town Hall Gallery

- Read through conditions of entry carefully before submitting - you don't want to have your photograph eliminated because it was submitted to the wrong category, or your file is the wrong format. [Boroondara Photography Competition | City of Boroondara](https://www.boroondara.vic.gov.au/competition)
- File size - an image under 1MB may look good on a phone screen but it will look terrible when printed. Always make sure your photograph is 300 dpi or 300 ppi and at least over 600 kb and preferably at least 1MB in size.
- Focus - even slightly blurry images are more noticeable when printed. Unless you want an intentional blur in your photos, zoom in to check that your final photo is in focus.
- Experiment - you get points for creativity, so experiment with elements like composition and light. Take a photo of your subject from different angles and different times of day the decide which photo looks the best.
- Photograph description: when entering you are asked to describe your photograph and where it was taken in Boroondara. This is the 'artistic statement' for your photograph. The Judges are interested in your description as it complements the photograph.
- Check the Background - Before taking your photo, look for anything in the background that could be distracting. You want to control what the viewer focuses their attention on. If choosing between two similar photos, sometimes checking the background for anything distracting will help make your choice.
- Think Theme - before you take or select your final photo, think about what 'Hidden Boroondara' means to you and how your photo reflects that meaning. Thinking about how a photo reflects your point of view will help you select a photo that will feel original and intriguing to judges.
- Research - Have a look at some of the previous winners on our library catalogue website https://www.boroondara.spydus.com/cgi-bin/spydus.exe/MSGTRN/WPAC/HOME?HOMEPRMS=UD_PHOTOCOMPETITION
- The online exhibition of the 2024 winners is also useful when preparing to enter, as you can see the photographs, the descriptions and the judge's comments. <https://www.boroondara.vic.gov.au/boroondara-arts/whats/online-exhibitions/2024-exhibitions/explore-boroondara-online-exhibition>
- Photographs can be edited, for example, cropped or other minor enhancements.
- Photographs that have been digitally altered or generated with Artificial Intelligence will be ineligible.
- Email bpc@boroondara.vic.gov.au if you have any queries
